Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Atty called because she didn't receive the Office action mailed 03/04/04. She requested that the period for response be restarted because a change of address was filed but the action was mailed to the old address. A review of the record shows that the change of address was received before the action was mailed. Since the atty obtained a copy of the action from the PTO website, she only requested that the period for response be restarted. Therefore, the period for response to the restriction requirement originally mailed 03/04/04 is hereby restarted from the date of mailing of this interview summary.
